Additional commission will be paid for production on policies issued through December 31, 2025. Payments will be made in the month following the end of each quarter, October 2025 and January 2026.

Commission payment will be earned based on total Qualifying Premium, defined as the sum of first year premiums collected on all Qualifying Products issued through December 31, 2025, and will be paid on a retroactive basis.

As you achieve a new Advisor Production level, we will adjust your additional commission percentage upward on all premium received during the program period.

Earned commission will be paid to the writing agent (or recruiting agent) on Prosperity PathProSM and Prosperity PathPro MaxSM fixed indexed annuities (FIAs) issued applications.
